Dear PVRs members:

I have created an online version of the duty calendar where you can check your schedule, post for coverage, and sign up to cover extra shifts.

The link is:

<https://home.winants.org/pvrscal>

You will have to login with a username and password. The username is the first letter of your first name plus your last name. Except that those people with long (>8 letters) last names I shortened it to first initial + first four letters of last name. So Bill Wilkinson is "bwill".

The password initially is blank until you login the first time. Please respect your fellow members and don't try to access their accounts.

If you have any trouble accessing the calendar, please let me know. If you have comments or suggestions, please send them via email and I will look at them when I have time.

I will setup a couple of training sessions where we can go over the features of the system if there is interest in that. In the meantime, feel free to poke around.

Thanks,
Dave
